Country house between Monda & Guaro, charming typical Andalusian villages only 20 minutes from Marbella and 30 minutes from Malaga city. The property consists of a plot of land of approximately 19.800 square meters, surrounded by a variety of vegetation such as oranges, lemons, fig trees, 50 olive trees and more than 100 almond trees. The property has mains water supply from Guaro, mains electricity from Endesa, a small house for tools and a barbecue area. This detached house consists of a bedroom, a bathroom, a kitchen and a living room with fireplace as well as a large covered entrance porch to enjoy unbeatable views.
