A modern home where light flows beautifully through the apartment and the scenery changes from room to room. In connection with the living room there is an open kitchen, where you can be occupied with cooking while enjoying the sea view. The Mastersuite and living room open onto a large sunny terrace with plenty of space for a dining table and a sofa set. The stairs from the side of the terrace rise to the magnificent roof terrace. Here you can enjoy stunning views of the sea and mountains, sunbathe, have a barbecue party and relax in the Finnish sauna. In the evenings, the city lights together with the starry sky create a magical atmosphere that you can enjoy while bathing in the warm embrace of the jacuzzi. The apartment has two parking spaces and a storage room in an underground garage. The gated complex has security, well-maintained communal areas, two outdoor pools, a gym & a spa and a social club. The next door Higueron Resort offers a great setting for a wide range of sport activities. It is also home to the Hilton Hotel with its stunning poolside bar on the rooftop terrace, several restaurants and shopping. There is a beautiful sandy beach and Carvajal train station just 10 min walk away, so you can get to the airport and the charming city of Málaga very easily.
