A set of 48 new apartments located in a privileged area of Estepona, with a South orientation, great light and charming views of the sea. We find apartments located on the ground floor, with a private garden and large terraces, apartments on the first floor also with beautiful views of the sea from their private terraces, and penthouses with huge and private solariums. The kitchen area is open, taking advantage of the light at all times, playing with its light tones and ample storage spaces. The design of the contemporary style apartments seeks the greatest practicality and comfort, without neglecting the style and elegance that characterize this construction. The apartments according to their typology offer 2,3 and 4 bedrooms and different configurations. All in an environment of well-kept Mediterranean-style gardens and sea views. Strategically located in a private and quiet area, one step away from all the necessary services in your day-to-day. Schools, supermarkets, restaurants, golf courses... are within walking distance of this urbanization.
