Fabulous penthouse walking distance to the center historical with an amazing terrace! The apartment has one big living room with access to the big terrace where you can enjoy the beautiful weather and views of Malaga. One part of the terrace is close with glascurtain which make an extra room to the apartment. You have then one kitchen, a bathroom and a bedroom. The apartment has been renovated and perfect to move in! To have a terrace as big in the center of Malaga is almost impossible to find. The location close to the old center or the famous shop of el Cortes Ingles makes it unic! A must to seen!
