Top Floor Apartment

Los Boliches

380.000€

This apartment in the Los Boliches area of Fuengirola consists of three bedrooms and two full bathrooms, one of which is en-suite. The property has been partially renovated, offering a more modern and bright atmosphere, and it also features a south-facing terrace that provides a great warmth. Among its amenities, the built-in closets stand out, providing ample storage space, and the inclusion of a garage on the property is an additional benefit that ensures convenience. Additionally, residents enjoy a communal swimming pool, adding value and comfort to the lifestyle this home offers. Its central location ensures easy access to a wide range of services, such as public transportation, shopping centers, medical centers, schools, and supermarkets.
