The home has a lot of natural light due to its large glass doors. It is well planned, spacious and tastefully designed. There are 3 bedrooms with beautiful wooden floors and fitted wardrobes, two of which are en-suite with private bathrooms. All bedrooms including the living room have electric blinds. Next to the third bedroom you will find a bathroom just outside. All 3 bathrooms have underfloor heating and a shower, one of these bathrooms can be converted into a bathtub if desired. year round, with everything you could possibly need. BBQ corner with pizza oven, outdoor shower and space for, for example, sunbeds, dinner table and lounge set. The terrace is partially covered and 4 electric awnings have also been installed, to always be able to alternate between sun and shade depending on the season. And perhaps best of all... Magical views of the sparkling Mediterranean Sea and the beautiful mountain range. Here you can enjoy the sun all day until sunset. Central AC is installed throughout the home and can be set separately for each room. The association is nice and well looked after, here you have access to 3 different pools to choose from in the area including an infinity pool and a children's pool. It is a "gated community", a safe and quiet area with surveillance. The home also comes with 2 spacious garage spaces and a large storage room. At the garage spaces, there are electrical outlets for maintenance charging of the car battery. It is also prepared for the installation of electric chargers for electric cars.
