The new construction of a 5-6 star Hilto hotel one of the most luxurious Hiltons "Conrad" is being built just next to this urbanisation which finishes in 2025 and will raise the value of those apartments most probably. There are not too many apartments that makes the urbanisation more private and with only 2 floors it looks very beautiful and idillic with this size. You will find the kitchen at yuor left side when you enter into the spacious, luminous living room with sea views already from the dining table and to the enormous terrace with it s chil out area in the left corner and the glass certains who make it the warmest place in th e winter from that covered terrace with the best sea views and south orientation. Walking into a small corridor on the right on your left side you will have the doble bedroom en suite with a complete nice bathroom and with sea views from your bed. The second bathroom is in that small corridor on the right side of the living room and has a shower instead of a bathtub. There is enought space to create another bedroom in the apartment, it could be the chill out corner on the terrace if you wish so. The two parking spacle are underground and there you also have a storage room. You can drive in 10 minutes to Puerto Duquesa and in 15 minutes to Estepona. To The airport of Malaga you would need more than an hour , depending on which highway you drive it could be in 1

hour and to the Gibraltar airport you would need only 40 minutes drive. A Puerto Duquesa se llega en 10 minutos y a Estepona en 15. Al aeropuerto de Málaga se tarda más de una hora, dependiendo de la autovía se puede llegar en 1 hora y al aeropuerto de Gibraltar en 40 minutos.
