Enormous estate with approximately 1,200,000m2 of land with fruit orchards, almond and olive trees and permission from the Ayuntamiento to build touristic accommodation and/or a hotel. Situated only a 15 minute drive from the visitor's centre at El Chorro, this area has recently become increasingly popular with walkers as a peaceful, natural environment and there is also the very well known Caminito del Rey which attracts a multitude of tourists. Other visitors enjoy the beautiful lakes for swimming and water sports so accommodation is very much in demand and the El Chorro train station connects directly with Malaga's main train station.
