At the ground floor you have one bathroom, a storage and the living room with the kitchen and going upstairs you have the main double bedroom, one bathroom and the other single bedroom and all with a very charming attic walls making it feel very cozy. You will have 1 parking place with the townhouse. The area is very popular as you are at a walking distance to all amenities, shops and restaurants of Diana Park and even you could cross the highway walking to the beach of Isdabe./Atalaya, or you drive there within 5 minutes to the beach of Saladillo at 2 km or to the beach of San Pedro Alcántara with excellent restaurants on the promenade and walking distance to Puerto Banús.
