Alhaurín el Grande

Lovely country house with lots of character within walking distance to Alhaurín El Grande. The property is set on a fenced plot of 5.000m² with stunning views and wonderful sunsets. The 176m² house is distributed in 3 bedrooms, 2 bathrooms (one of them en-suite), kitchen-dining room, utility room and living-dining room with log-burning fireplace. The house retains the originality of its construction, high walls, beamed and cane ceilings, terracotta floors etc. Outside the property enjoys a lot of privacy and charming corners, mature trees providing shade to the terraces, swimming pool, parking area and an extra room with bathroom (in need of some renovation), which would be ideal for an office or extra guest accommodation. It benefits from good access, town water, fully fenced plot, panoramic views, and only 1km from the town.
