A large villa with a private garden and access to the communal gardens and pool. The property is set over 3 floors and is entered from the street where you have a garage, a studio bedroom with a balcony and a shower room. The middle level has a living room with a large open plan kitchen/dining area, a large master bedroom with balcony and an ensuite bathroom. On the basement level there is a separate independent apartment with 2 bedrooms, 2 bathrooms and a living room with access to the private garden and terrace. There is access to the communal pool and gardens via a private staircase. The house is currently being used as three apartments but all levels have access so could easily become a family villa or else continue independently.
