Rustic property with a project for a rural hotel and banquet hall and another project for a convention centre. It has its own well and water from the town. The land of about 16,240 metres has mostly flat areas. An Arab-style house has been built with 466 metres of construction that needs to be completely renovated, with interior patios, swimming pool, garage. It has about 4 bedrooms, a living room, kitchen, 2 bathrooms. A peculiar interior layout. On the same property there are several warehouses. In total it has about 3,370 metres of construction. It has two nursery areas and a large basement to use as a warehouse. It would also be a good farm for camping. A simple note states that the property has been declared a HOUSE consisting of a single floor, conveniently distributed for housing. It has a constructed area of one hundred and sixty square metres. The plot has an area of ONE HUNDRED SIXTY-SIX AREAS, NINETY-NINE CENTIARES, FIVE SQUARE CENTIMETERS. Of this surface, one hundred and sixty square meters are occupied by the construction on the ground floor, with the rest being used as open spaces.
