Blessed with picturesque nature, the sun-kissed Benahavís is famous for its extensive selection of golf facilities, excellent gastronomy offers, and prestigious real estate developments. The importance of Benahavis in Spain's real estate development cannot be understated, for it is home to the most exclusive gated communities in Europe, such as the renowned 'La Zagaleta' or 'El Madroñal'. The cherry on top is Benahavis's proximity to the coast's iconic places like Puerto Banus and Marbella. The villa for sale in Benahavís Spain is located within a gated community in Alcuzcuz area, adjacent to the exclusive 'La Zagaleta' and 'El Madroñal', just off the road that connects the coast with the town of Ronda. Fantastic road connections, including quick and easy access to the main road, means you can easily reach all daily amenities, including some of the area's best golf courses within a short drive.
