Super apartment within walking distance of La Cala de Mijas!! This very nice apartment looks fantastic. From the street you can reach a terrace with a small staircase. From this terrace you can enter the house when you enter the apartment you are in the cozy living room, a nice sitting area and a cozy dining table make this a beautiful whole. What immediately stands out in the living room is the beautiful high ceiling, which gives the room a nice and large feeling. Right next to the living room is a spacious kitchen with all necessary built-in appliances, there is also room for the washing machine. The kitchen is handy and attractively furnished . From the living room there is a staircase upstairs, here there are two spacious bedrooms with fitted wardrobes and a spacious bathroom. Due to its ideal location and beautiful finishes, this apartment is suitable for permanent living or for long-term or short-term rental.
