Fabulous, very spacious and bright one bedroom apartment, easily converted to a 2 bedroom if desired. The property is located on the third floor, but accessed from the street level via just 6 steps. The apartment comprises of large entry hall, fully equipped kitchen with window, lounge-dining room, double bedroom with ensuite bathroom plus a guest cloakroom AND magnificent terrace of some 30m2, which could have glass curtains installed, thus increasing the living space. The views from the terrace are lovely also; overlooking the beautiful communal gardens and pool, then over green belt trees and plants to the sea. There is a communal carparking area also.
