Semi-Detached House

The Golden Mile

3.000.000€

Take a tour of this special villa that opens up mountain and sea views, located in a forest area, in one of the most sought after and exclusive parts of Marbella. 5 bedrooms, 5 en-suite bathrooms, 2 garages, 3 storage rooms, an impressive solarium with panoramic views, jacuzzi, private pool, and even a private elevator - these are just some of the facilities that this semi detached villa offers you. The house is part of a well-known residential complex, with 58 semi detached villas, surrounded by the tranquility of the mountain but also the opulence of Marbella, with 24-hour security, communal pool, gym and spa. Enjoy every day with the chirping of birds from the pine forest over the fence, with the immensity of the sea from the roof terrace or enjoy the coolness of the mountain from the personal pool on the ground floor!
