PANORAMIC SEA VIEW VILLA BENALMÁDENA COSTA..... A rare opportunity has arisen to acquire a unique large detached villa in the most sought after area of Benalmádena Costa, La Capellania! This villa has stunning panoramic sea views and excellent views of the Fuengirola bay from the upper floor and also amazing views of the mountains and the Stupa from the pool area and rear of the property. The villa is in need of an update and so far comprises 3 large bedrooms and 3 bathrooms, a large and bright living room and separate kitchen. Two of the bedrooms are on the ground floor entrance level and the master is upstairs spanning the whole floor. There is a large basement with various areas which would make an ideal separate guest apartment with plenty of room for a bedroom, kitchen, bathroom and living room. The basement also benefits by already having its own independent access from the street! The whole house can be reconfigured to ones taste and there is room to add more bedrooms if required, and thus increasing the value of the property even more, making this villa a sound investment! Villas in this area on these kind of plots with amazing views from every part of the house rarely come on the market so contact us today to arrange your viewing as this property will not be on the market for long!
