Apartment to reform very close to the Beach in La Carihuela. Located right behind the pedestrian street, so you are very close to everything, but without any noise. There is a nice sea view from the apartment. The apartment consists of 1 bedroom, 1 bathroom and a livingroom with a semi-open kitchen. From the bedroom and livingroom you have access to the terrace. Part of the terrace has been closed off with glas. This part can be used part of the year, as an extra bedroom. It would be a good idea to reform the apartment, which could make a very nice vacation home. The complex has a big communal pool across the street.
