The remaining two bedrooms, each equipped with double beds, are equally well-appointed and offer easy access to the contemporary bathroom they share. Step outside and beyond the terrace to discover a private garden that offers direct access to the communal pool, providing an idyllic setting for relaxation. The peaceful surroundings are particularly noticeable, with the apartment being located far from any major roads or highly urbanised

epicentres, while it's proximity to the golf course creates a sanctuary where you can unwind after a day of activity. This property comes fully furnished, making it move-in ready or, for buyers looking for an investment property, good to go for holiday rental guests. The property also has security shutters installed as well as an alarm system that can be set up by the new owners.
