Next to the building which has a huge tennis court and on the other side a wonderful park with a waterful and beautiful public garden to enjoy. Estepona has become very atractractive over the last years with great investments in a car free sea promenade, with many more car free streets around tehe old toem with its tipical andalusian flower pots and in many streets there are new wall paintings from very good artists, etc etc...añll together the town go more popular and people say i will reach the status of Marbella wit all those new changes. That penthouse woud be a great investment fr holiday rentals or to reform it to a higher standard for long term living as well. The distance from estepona to Puerto is about 20 miutes drive to Marbella 35 minutes driev ad to Malaga airport it may take 1 hour on the highway.
