Lovely apartment in Calahonda with a beautiful sea view.. A short staircase leads up to the apartment from the ground floor, and inside the entrance on the left is the renovated kitchen with storage on both sides. Behind the kitchen is a smaller bedroom with a window facing the garden. A few more steps from the small hallway and we reach a bathroom and another full-sized bedroom. This bedroom has windows to the bedroom that adjoins the kitchen, but with options to remove visibility using curtains or drapery. Spacious living/dining room with fireplace and large windows and entrance to the terrace. From the living room you enter the master bedroom with ensuite bathroom and access to the terrace, which offers a fantastic sea view and has space for both a dinner table and a lounge group. In the community there is a swimming pool and a smaller children's pool. Parking pockets belonging to the community are on the street outside, but are not private.
