HIGUERÓN - NORTH RESIDENCES Where architecture and nature merge in a dream project - only 6 villas and 26 apartments with views of the Mediterranean Sea, surrounded by native vegetation. Higuierón Residences is designed and inspired through the architecture, following the avant-garde essence and using sustainable materials. A unique architecture with its own identity, as well as an intelligent design and materials of the highest sustainable qualities, are the premises of this project. In keeping with the movement of nature that surrounds them, the apartments take a hexagonal structure, merging with the environment. This spacious apartment are divided into two bedrooms, with an elongated sliding door to give residents the choice of dividing the apartments into two parts. The living room and bedrooms have large windows letting in natural light, merging with the wooden that features within the interiors. The Italian kitchen is characterized by a long island of marble carefully connecting with the warmth of the design. The outdoor huge terrace brings in Mediterranean fragrances, as the interior and exterior blend together becoming one. There 2 parking spaces included together with own storage room. The services and amenities of luxury Higuierón Resort at your fingertips with the everything you need, while you have all the time in the world to rest, reconnect, have fun, live and enjoy a unique place - hotel 5*, spa, beach club, restaurants, sport club. Apartment, Reserva del Higuierón, Fuengirola, Costa del Sol. 2
