Semi-Detached House

Alozaina

99.000€

House of 262 M2 built, distributed over three floors. At street level, we find a large garage, still without access enabled for cars but with the possibility of opening a garage door with great ease, capacity for several cars. There is also the possibility of making an apartment completely independent of the house on this floor. The house, which we access by stairs from the street, we find the living room, the kitchen, four bedrooms, two bathrooms and a small storage room. On this same floor, at the back, we find a large open patio. On the top floor, with access from the entrance of the house, we will find a room used as a storage room to date, with access to a covered terrace.
