R4909210 **Plot** **El Padron** **265.000€**

Fantastic plot of 6000 m2 practically flat, in the east area of the city of Estepona. This property has electricity, water, irrigation, private entrance access for vehicle, plus community well. In the area of the plot there are several villas. It is a very quiet area but close to supermarkets, other services and close to the coast (2 km from the beach). A property located in one of the most sought after areas of the city of Estepona; although its soil is rustic, it is ideal for mobile home or similar. It is only 10 minutes drive from the town of Estepona and 20 minutes from Marbella. It is a unique opportunity. Contact us now to request more information and arrange your visit.
