Spacious apartment of 107m, with 3 bedrooms and two bathrooms, in a prime location, BEACHFRONT, offers incredible potential to create a lovely space. The idea of refurbishing it allows you to customize it according to your tastes and needs. A property that no longer exists on the market and you can have it at your fingertips in a block of just four neighbours. On a third floor without elevator. Direct entrance to a large living room with sea views with access to a terrace where you can enjoy long sunrises. The house is distributed along a corridor from which we enter the kitchen and the rest of the rooms. Is there anything specific you'd like to know about the property or area? I'm here to help you with any questions you have.
