Very large COUNTRY HOUSE, wooden structure, with a concrete base. Approximately 10 minutes from Coín. It has stables, a wooden house and a small pool. Land of 20,000 meters around the house. Wonderful area for horses. The stables can be renovated to make it a guest house or rental. The house needs improvements and updates. There are 4 rooms on the ground floor with two full bathrooms and 1 room in the attic with its full bathroom. It has high ceilings and many possibilities. The environment is very natural, quiet and wonderful. There is an urban study carried out for the viability of obtaining the AFO. Super quiet place, you can only hear nature
