Unique opportunity in Entrerríos: rustic plot of 2,500 m² with deed, perfectly located a few steps from the Entrerríos hostel and with direct access by paved road. It has contracted water and electricity services, which guarantees comfort and functionality from day one. In addition, it includes a topographic project that allows the plot to be divided into two parts, ideal for investors or for those seeking to maximize its use. A privileged location, surrounded by nature, but with all the facilities within reach. Don't miss this opportunity to make your projects come true!
