This spectacular apartment has a long terrace with access from the lounge and 2 bedrooms. There is a bathroom on the left as you enter and the lounge stretches out in front with plenty of natural light. The fireplace is a feature. The kitchen is large and ultra modern with stylish fridge, oven, etc. There are large windows in the kitchen. The bedrooms are private and reached through a corridor. The main bedroom has large, compact, built in wardrobes as you enter and a huge en suite bathroom, very tastefully designed. The location is key as El Bombo beach and the restaurants of Torrenueva are close at hand and the fabulous boardwalk. Miraflores and Riviera with their restaurants and of course the famous Max Beach are all close too, and the Commercial Centre of Las Terrazas. The apartment is quiet and tranquil and above all spacious. Visits from now.
