Fantastic fully renovated ground floor apartment with 3 large bedrooms and 2 bathrooms. The south-facing apartment maintains its temperature well, staying warm in winter and cool in summer. During the renovation, the living room and dining room were made open plan, seamlessly flowing into the kitchen, which has its own area (though without door or wall separation) and an exterior utility room that can be opened for air circulation when cooking. A lovely additional room was created by enclosing a section of the terrace with foldable windows. The light-filled master bedroom features a modern and sleek ensuite bathroom with dual sinks. All rooms are equipped with large built-in wardrobes, there are mosquito nets on all the windows and air conditioning is pre-installed throughout.
