Cozy country house located between Guaro and Tolox with very good access and beautiful views of the inland landscape. At the entrance of the property we find an electric gate that gives us access to the property and with outdoor parking space. The land where the house is located has an area of 3,300m<sup>2</sup>, planted with different fruit trees and olive trees. It is quite flat, fenced and has municipal water. It is one level lovely finca distributed in an American kitchen open to the living-dining room, three bedrooms and two bathrooms, one of them en suite. It also has a fully glazed porch ideal for family gatherings. Outside there is a private pool surrounded by a white balustrade, a large outdoor terrace and a 11m<sup>2</sup> storage room. A hidden gem that is best not to be missed.
