Step into a haven where tranquility weaves itself into every corner, a thoughtfully furnished apartment where Eastern influences merge seamlessly with timeless warmth to cocoon you in the peaceful embrace you've been yearning for. This isn't just an escape; it's an invitation to a sanctuary designed to nurture your soul. Nestled just a 15-minute drive away from the glitz of Marbella and Puerto Banus, this haven offers the best of both worlds—a retreat from the vibrant energy of the city, yet close enough to indulge in its allure. As you step inside, be embraced by a serene Eastern-inspired atmosphere that whispers tranquility at every turn, where timeless elements and a comforting ambiance wrap you in a soothing embrace. The heart of this retreat lies in its thoughtful design. A fully installed kitchen awaits, a space where convenience meets leisure, inviting you to prepare meals at your own pace. Two spacious bedrooms, each boasting its own bathroom, ensure a private haven for everyone. A retreat within a retreat, allowing everyone to unwind in their own space. But it's the terrace that beckons—a tranquil escape accessible from both the living room and the master bedroom. Imagine lounging on sun-drenched recliners or sinking into a cozy outdoor lounge, each moment an invitation to unwind and savor the tranquility that envelops you. While seclusion is your haven's forte, just an 8-minute drive leads you to restaurants, shops, and other facilities—finding the perfect equilibrium between seclusion and

accessibility. Practicality seamlessly intertwines with comfort, courtesy of a separate laundry room and an underground parking space, ensuring ease and practicality.
