Stunning Penthouse with Breathtaking Sea Views in La Duquesa. This one-of-a-kind attic penthouse apartment that offers unbeatable panoramic views of the Mediterranean coast and La Duquesa harbour. Located just 750 meters from the marina, you'll have easy access to restaurants, shops, and local services. The apartment is spacious and with a very nice feeling, featuring a large living area in modern Scandinavian-style with an open-plan kitchen. Inside, it feels like a stylish home in Stockholm or Copenhagen — but with the bonus of sunshine and sea views just minutes from the beach. This home is full of character and charm. It's been designed with care and style, especially when it comes to lighting. The current owners work with light design, and it shows — the entire apartment feels like a small masterpiece. You have direct access from the underground parking and your private a big storage room straight to your front door via an elevator. Since you're the only one on the top floor, it gives the feeling that it is your own private lift. People often say a place needs to be seen to be truly appreciated but in this case, it's really true. The urbanization is in the middle of La Duquesa Golf course.
