The home is distributed over two levels with bright interiors, floor to ceiling windows, and an easy flow between living spaces and the outdoors. The main floor has an open plan kitchen and living room that extends onto a private garden and a sunny terrace, making it ideal for everyday living or holiday use. The house is equipped with quality finishes including porcelain flooring, double glazing, aerothermal air conditioning, and electric shutters and comes with underground garage with private parking and storage. The Resort gives owners access to a modern sports club with gym, spa, sauna, tennis courts, putting green and an additional pool area, all set within landscaped gardens. Golf lovers have El Chaparral Golf Club a short walk away, and La Cala de Mijas is just a few minutes by car. This is a rare chance to own a new, modern home in a coastal location where almost everything is within walking distance. Suitable as a full time
