Stunning luxury villa boasting impressive panoramic views of the sea and the Bay of Malaga. Set in a tranquil location just five minutes from the beaches of El Palo, this residence enjoys a southwest orientation, spectacular terraces and outdoor areas overlooking both the sea and the mountains, and a convenient contemporary layout with high-quality finishes. Recently renovated, the villa is laid out over three levels. The ground floor includes four bedrooms and four bathrooms, three of them en suite. Another room, currently used as an office, is located next to a bathroom. The primary suite occupies the entire first floor, featuring a walk-in wardrobe and a private terrace with panoramic sea views. On the lower level, a self-contained studio offers independent accommodation for guests or staff, complete with a kitchenette and its own private entrance. The interiors are bright and refined, featuring marble floors, a fireplace, and a fully fitted kitchen. Air conditioning and solar panels provide comfort and efficiency throughout the year. Outside, the villa extends onto manicured gardens and a saltwater swimming pool bordered by sun terraces. A pergola with an outdoor barbecue area provides an inviting spot for dining or relaxing while taking in the views and sunset. The garden layout ensures both beauty and privacy, creating a seamless connection between the home and its natural surroundings. A spacious covered carport provides parking for three vehicles.
