This building, located in the heart of Las Lagunas de Mijas, offers an excellent combination of strategic location, strong demand, and high growth potential. The property currently features a fully completed and operational ground floor, with a project in place to develop two additional floors, resulting in 8 modern apartments designed to maximize natural light and functional living spaces. Set in a consolidated central area, surrounded by shops, services, and public transport, with quick access to the motorway and excellent connections to Fuengirola, this asset responds to a real and consistent demand for housing.
