This exceptional 2,377 m² plot enjoys a fantastic orientation within a sought-after residential area, surrounded by mature leafy trees and stunning neighbouring villas, offering both privacy and an established setting. The plot comes with a fully approved project at the Ayuntamiento, ready to build a four-bedroom, three-bathroom family home with parking for two cars, making it an ideal opportunity for buyers looking for a seamless build process. With plots increasingly limited in this area, this represents a rare opportunity to create a bespoke family home in a tranquil yet prestigious environment, combining space, light, and long-term value.
