Wonderful villa in a golf resort This detached villa in La Cala Golf Resort offers generous space and a well-planned layout across several levels. At its heart is a particularly large and bright living area with a high ceiling and a staircase that adds a distinctive architectural feature to the room. Directly adjoining it are the dining area and the spacious kitchen, creating an open and practical living space. The house has four bedrooms, including a main bedroom area with a walk-in wardrobe and en-suite bathroom. The basement includes a double garage, a games room, a laundry room and an unfinished room with additional potential. Outside, the garden, covered areas and a pool of approx. 25 m in length complete the property. The location within the resort offers peace, greenery and proximity to the golf course, while the coast, restaurants and shops remain within easy reach. • Particularly large and bright living area with high ceiling • Dining area and spacious kitchen directly connected to the living area • Pool of approx. 25 m in length, plus basement with double garage and games room • Suitable for families or buyers who value space and a golf setting.
