Modern Corner Townhouse with Exceptional Outdoor Space – Just 2 Minutes from the Heart of Fuente de Piedra Positioned on an open frontage with terraces wrapping around three sides of the property, this beautifully presented townhouse offers a rare feeling of light, openness, and privacy right in the centre of Fuente de Piedra. With the village square, cafés, bars, and everyday amenities just a two-minute walk away, this is a home that combines modern comfort with genuine walkable Spanish living. From the moment you enter, the quality and care that has gone into the property is immediately clear. The bright open-plan living and dining area feels spacious and welcoming, with high ceilings, natural light pouring through multiple windows, and a clean contemporary finish throughout. Soft neutral tones, modern lighting, elegant décor, and excellent presentation give the property a calm, stylish atmosphere that is ready to move straight into. The fully fitted kitchen has been modernised to a high standard with sleek cabinetry, quality worktops, and integrated appliances, creating a practical yet attractive space for everyday living. The bathrooms continue the same modern finish, with contemporary tiling and a stylish walk-in shower adding to the turnkey feel of the home. One of the standout features is the outdoor space. Unlike many townhouses in the area, this property benefits from open aspects and terraces to three sides, allowing sunlight throughout the day and creating multiple areas for relaxing, dining, or entertaining. The open frontage gives the property a far less enclosed feel than traditional village homes, while still

maintaining a central location close to everything Fuente de Piedra has to offer. The upper level includes additional versatile space currently used as a relaxing seating area, ideal for reading, working from home, or simply enjoying the peaceful atmosphere of the property. Fuente de Piedra continues to grow in popularity with buyers looking for a traditional Andalusian village lifestyle while staying well connected to larger towns and cities. Antequera and the high-speed AVE train station are within easy reach, offering fast connections to Málaga, Córdoba, Madrid, and beyond. Málaga Airport, the beaches of the Costa del Sol, and cities such as Granada and Seville are all comfortably accessible for day trips or travel. Properties presented to this standard, in such a central yet open position, are becoming increasingly difficult to find. Whether you are searching for a permanent residence, lock-up-and-leave holiday home, or stylish investment property in Andalucía, this home delivers quality, location, and lifestyle in equal measure.
