Charming finca with potential in the green heart of Álorá You reach this charming and exceptionally well-maintained property via a dirt road of just 1 km, surrounded by an abundance of plants, flowers, and trees — a true little paradise where peace and nature take center stage. The final access road to the property is entirely constructed of concrete, and along the way, you pass two gates, ensuring extra privacy and a sense of security. The entire plot is fully fenced. The spacious plot offers numerous possibilities and is also perfectly suited for keeping horses or other animals. Here, you enjoy freedom, space, and authentic Andalusian country living. The property is connected to electricity. Water is supplied via truck delivery. The property has been maintained with great care and features: 2 compact bedrooms 1 bathroom a spacious open-plan living area with kitchen a practical storage room an alarm system Outside, you will find an above-ground pool with a liner, ideal for cooling off on warm days and fully enjoying the surroundings. The location combines tranquility with easy accessibility: just 10 minutes from the charming village of Álorá and approximately a 40-minute drive from Málaga and the coast. An ideal property for those seeking nature, privacy, and a plot with potential, within a short distance of all amenities.
