Charming plot with olive trees located close to the village, offering a convenient yet peaceful setting. The property enjoys an excellent location with amenities nearby, including a supermarket directly across the road. The surrounding area is developing, with construction currently taking place on a neighbouring plot. At this moment, there is no building licence or confirmed building permission granted for this specific plot. Any future construction possibilities would need to be investigated by the buyer in consultation with an architect and through the appropriate urban planning application process. Please note that there is currently ?no ?guarantee ?that ?a ?building application would ?be ?approved. A great opportunity for someone ?looking for ?a well-located ?piece ?of land with potential, ?subject ?to ?the ?necessary ?permissions ?and ?investigations.
