A rare and distinguished opportunity in the hills of Mijas, moments from the renowned La Cala Golf Resort. Set nearby one of Europe's most prestigious golf destinations, home to three 18-hole championship courses, an elegant hotel and world-class spa, this boutique collection of just three exceptional villas offers privacy, sophistication, and a lifestyle reserved for the few. The villa has been meticulously designed with an exceptional sense of space, light, and architectural balance. The finest materials have been selected throughout, combining contemporary elegance with timeless quality, creating homes that feel both impressive and effortlessly liveable. Mijas offers one of the most desirable lifestyles on the Costa del Sol, combining traditional Andalusian charm with modern convenience. From golf resorts and beaches to international schools, restaurants, and easy access to Málaga Airport and Marbella, it provides everything buyers look for in a year-round home or holiday retreat. The area blends natural beauty, infrastructure, and strong property value into one exceptional location. La Cala Golf Resort is one of the Costa del Sol's most established and prestigious golf destinations, set within 400 hectares of natural countryside. Home to three championship golf courses, a luxury spa hotel, restaurants, sports facilities, and 24-hour security, it offers a private, resort-style environment just minutes from the coast. Residents enjoy space, views, tranquillity, and first-class amenities all in one secure setting.
