Hacienda del Sol is a highly sought after location on the new golden mile between San Pedro and Estepona. The complex is made up of numerous blocks almost with a village style feel within a gated community and 24hr security. On site you will find a padel court, indoor gymnasium and sauna and jacuzzi. The local Aldi supermarket is just a 5 minute walk and there are numerous bars, cafes, restaurants and even beach clubs all within a short stroll. The apartment itself is one of the very few that has 4 bedrooms. The master bedroom is fully en-suite with the other 3 bedrooms sharing a further two bathrooms. As well as an outdoor area on the terrace, the remainder is closed off with glass curtains allowing for all year round access to the terrace area. The property is sold unfurnished and has just been reduced from the original asking price.
