Apartment**

Calahonda

339.000€

This gorgeous 2-bedroom, 2-bath apartment is just a short walk from the beach and local shops. It's being sold fully furnished, and honestly, the standard is impressive—walking out onto the sunny terrace with sleek glass curtains. Step inside and you'll find a spacious hallway leading to the bright living and dining area, which opens straight onto that fantastic terrace. It's perfect for your morning coffee or evenings dining outdoors. The kitchen comes fully equipped with white goods, plus there's a handy utility room right next door. Both bedrooms are a good size, with peaceful views to wake up to. The master bedroom has its own direct access to the terrace, so you can roll out of bed and step straight into the sun. There's an en-suite bathroom just for you, plus a full family bathroom for guests. Whether you're looking for a permanent home or a holiday getaway, this place checks all the boxes. It's beautifully maintained, stylishly furnished, and sold exactly as you see it. Communal parking, access to gorgeous communal pools and gardens, and so much more. You're right in Calahonda, where the beach stretches for 4.5 kilometers, just 35 kilometers from Malaga International Airport. Unlike some neighboring resorts, Calahonda has managed to keep much of its original charm, thanks to stricter building rules and less crowded developments. Mijas Costa, stretched between Fuengirola and Marbella, is packed with cozy resorts—like El Faro, El Chaperral, La Cala de Mijas, Riviera del Sol, Calahonda, and Sitio de Calahonda.

Sitio de Calahonda is actually the biggest urbanization in this part of the costa, and Calahonda beach is the longest in the whole Mijas area. Local buses make it easy to get around, and just in Mijas Costa, you've got 12 golf courses to pick from. Head towards Fuengirola and you'll hit the Miramar shopping center and the water park for a bit more action. The coastal bus service connects all the resorts, giving you easy access up and down Mijas Costa. You've got 12 golf courses nearby, plus the Miramar shopping center and a water park right by Fuengirola. This location really brings everything together—beach, leisure, shopping, and an authentic Spanish vibe.
