Spacious single-storey villa of 245 m² set on a private plot of 1,750 m² with a swimming pool and a large lawned garden, in the prestigious Hacienda Las Chapas urbanisation, one of the most consolidated residential areas of East Marbella. The house, built in Andalusian style with a charming arched porch overlooking the pool, offers four bedrooms, three full bathrooms plus an additional guest toilet, a double living room with fireplace and a very large kitchen. It is sold furnished and includes a private garage within the plot. Excellent location: next to the Supercor of Las Chapas and just a few minutes' drive from the beaches of Elviria and Cabopino, Cabopino marina, golf courses such as Santa María Golf and Cabopino Golf, and international schools. Marbella centre is about 10 minutes away and Málaga airport about 35 minutes by car. A very attractive opportunity both as a family home and as an investment: plots of this size in Hacienda Las Chapas are increasingly scarce, and the villa is ready to move into from day one, with great potential to update it to your own taste.
