Renovated 2-Bed Apartment in Las Farolas, Mijas Costa. Holiday Home & Proven Rental Investment A bright, move-in-ready two-bedroom, one-bathroom apartment in the well-kept Las Farolas community, just a seven-minute walk from the beach and five minutes by car from both La Cala de Mijas and Fuengirola. The kitchen has been fully renovated and comes equipped with hob, oven, microwave, fridge, freezer and dishwasher, everything needed for long stays rather than just weekends away. The bathroom has been renovated to the same standard, with a rainshower and a washing machine cleverly integrated into the space without sacrificing storage or comfort. Outside your door, the community offers beautifully manicured gardens and a swimming pool. What sets this apartment apart is its track record. It comes with proven rental figures and a transferable tourist rental licence, so you can start letting from day one, whether that means running it as a pure investment, keeping it for your own holidays, or the best of both: enjoying the Costa del Sol yourself in the quieter months and letting it work for you in high season. Sold fully furnished. A rare combination of turnkey condition, a prime location between two of the coast's most popular towns, and income that's already documented. Rental figures available on request. PLEASE NOTE: 3rd floor no lift
