Cortijo Blanco

765.000€

Beautifully renovated three-bedroom apartment of 140 m² on the beach side of Cortijo Blanco, San Pedro de Alc ntara, just 300 metres from the sea. The property was completely refurbished only a year ago with high-quality finishes throughout and is ready to move straight into. The layout offers two en-suite bedrooms plus a third bedroom, a guest toilet, and a bright living-dining room that flows onto a spacious terrace with its own private patio — perfect for al fresco dining. The modern fully fitted kitchen, air conditioning, private parking and a storage room complete the picture, all within a gated community with pool and gardens built in 2003. The location could hardly be better: a short stroll to the beach and the seafront promenade towards Puerto Ban s, with San Pedro's boulevard, restaurants and schools a few minutes away. Puerto Ban s is 5 minutes by car and M laga airport around 45 minutes. Recently renovated, beachside and turn-key — a very liquid product in one of the most in-demand pockets of San Pedro.
