Exclusive family villa with 6 bedrooms located in El Padrón, in the New Golden Mile of Estepona. Set on a generous 3,000 m² plot, the property enjoys a private natural setting with a swimming pool, mature gardens, and open countryside views. The villa stands out for its Andalusian architecture and a central patio illuminated by a skylight, which beautifully structures the interior spaces and provides abundant natural light. The lower level is fully dedicated to leisure and entertainment, featuring a games room, a bar, and direct access to the garden. This level also benefits from a unique feature: large glass panels integrated into the swimming pool offer a striking underwater view from inside the villa. Ideally located close to Marbella, golf courses, and the beach, this property is perfect as either a permanent residence or a holiday home.
