THE BEST LOCATION FOR DISCOVERING MALAGA The hotel is located in the province of Malaga, near enchanting places such as the Torcal de Antequera and the Fuente de Piedra Lagoon. It is also just 25 minutes from Malaga Airport and very close to cities like Granada. This 4-star hotel has 48 double rooms designed to guarantee maximum comfort for its guests and a pleasant restaurant serving the most typical Andalusian dishes. The rooms offer various amenities such as air conditioning, a private bathroom with a whirlpool bath, and climate control. The property also has a 5-bedroom apartment to efficiently meet the needs of the establishment. An exceptional investment opportunity in the heart of Antequera. This fully operational hotel offers a total of 3,762 m2 of built area. The property also includes private parking, which is essential in this highly sought-after tourist area. This real estate gem was completely renovated in 2001, respecting high modern standards while preserving its characteristic local charm. Ideal for both experienced investors and new entrepreneurs interested in entering the highly profitable tourism sector.
