Ultra-prime double plot in Altos de Valderrama with existing project for a landmark private villa | €2,000,000 + taxes Set in one of the most discreet, silent and private positions within Altos de Valderrama, this double plot offers an exceptional opportunity to create a substantial private residence in a very low-density residential environment surrounded by mature trees and bordering Sotogrande's most prestigious golf setting. This is less about open views and more about privacy, scale, residential security and a highly difficult address to replicate. The opportunity is further strengthened by an existing basic architectural project for a major detached residence on a 5,481 m² project plot, with 1,781.71 m² computable area within the proposal. Offered at €2,000,000 + taxes.
