Modern Ground-Floor Apartment with Private Garden Beautiful and contemporary 2-bedroom ground-floor apartment located in a sought-after development next to Estepona Golf Club. Built in 2021, this property combines modern design, comfort, and privacy in a peaceful setting just minutes from Estepona town, the beach, and all amenities. The apartment enjoys a southwest orientation, offering sunshine throughout the day and pleasant views over the lush gardens, the mountains, and a glimpse of the sea. The interior features a bright open-plan living and dining area with a fully fitted kitchen with Siemens appliances, creating a seamless flow of space and style. The master bedroom with en-suite bathroom and the guest bedroom with separate bathroom both offer comfort and functionality. From both the living area and master bedroom, you step onto a spacious 54 m² terrace enclosed with glass curtains, allowing you to open it fully in summer or close it to create additional living space in cooler months. The terrace leads directly to a private lush garden of almost 90 m², beautifully maintained by the community and included in the community fees. Additional features include a private parking space, storage room, a communal swimming pool, well-kept gardens, and a gym. It is the perfect blend of villa-style living, with space, light, and a private garden, yet with the convenience, security, and easy maintenance of an exclusive gated community.
